MAY 2010

THE SOMBEROS & MARACAS WERE DOING THE CHACHACHA AT THE 2010 MAINTENANCE/MANAGEMENT CLINIC'S “IMPRESIONANTE FIESTA”

There were 263 Housing Authority representatives and 76 vendors at the Maintenance & Management Clinic held April 21-23 in Decatur this year. There were more than 400 people participating in this year's Clinic.

We would like to thank all the GREAT VENDORS and participants, the excellent trainers and the HUD staff for making this year's clinic such a maravilloso success.

[Remember when you are purchasing items, contact the vendors first who support our association!](#)
